Susie Hall. Jamaica Ln
Hull. Oct. 21st 1867

Mr Gamson Dear Sir.

Mr Fowler wishes me to write a
line to you & say that he sent
you to-day, a cane made
from a bit of oak from
the old Hillsfree House
in this town. Perhaps you
do not care for such old
relics, but he thought you
might like a small me-
morial from that old Lane.
He hope you will have a
pleasant passage across

the big Channel when you
go home & that you
may have many years
in store to labor in
the vineyard.
Please to receive our
kindest regards -
& allow me to subscribe
myself Yours truly
Lydia F. Fowler

Mrs. Lydia F. Fowler,

Hull, October 21, 1867.
